

## COUNTRYWIDE BLEACH

- Biodegradable
- Cuts through difficult soils and stains
- Disinfects, deodorises
- Whitens/brightens
- Effective and powerful
- Kills germs and removes mould
- Suitable for all waste systems (including septic tanks)
- Suitable for use in kitchen & food preparation areas

**Countrywide Bleach** is specially formulated to remove grease, dirt, heavy soils and built up grime.

### Typical inspection data:

<b>Property</b>	<b>Result</b>
Appearance	Clear to pale yellow liquid
Odour	Characteristic
pH value	11.5 – 12.5
Chlorine content	4.2-4.5% typical at manufacture

### Directions for use:

#### **For General Cleaning**

Apply with a spray applicator or a wet sponge/cloth. Allow to soak on surface then wipe with a clean damp cloth.

#### **For Large Areas**

Add 200 mL into 2 litres of water in a bucket, mop over area then wipe clean with fresh water.
