Entertaining food for entertaining people

Still the major entertainer for that everyday social occasion...

DID YOU KNOW?

- ✓ Elegant, soft white cheeses such as brie and camembert really do live up to their reputation. Well loved for their velvety white rind and buttery golden centre they have always taken centre stage on a cheese platter
- ✓ Once the surface mould changes from pristine white to off-white, tinged with orange, the cheese is ripe and is ready to eat

FEATURES & BENEFITS

- ✓ High quality offering at a value price
- ✓ Easy to handle
- ✓ Packaging designed to preserve the cheese
- ✓ Mild and delicate sensory delivery
- ✓ Great for a wide variety of culinary applications such as omelettes, sauces, pizzas, savoury tarts and frittatas
