### PRODUCT DESCRIPTION

Millers Foods Bakers Flour 1200 is milled from a carefully selected blend of West Australian Hard and Premium White wheats with an average protein content between 13% and 13.5%. During the milling process 1% of the protein content is removed with the outer bran layer leaving flour with a minimum protein content of 12% and a typical range of 12% to 12.5% This flour is ideal for the production of Continental style bread, Vienna bread, French sticks and rolls using the rapid dough method or traditional bulk fermentation process.
